To,  
whomsoever it may concern,

**Structural Stability Certificate**

I have undertaken assignment as Structural Engineer for the Structural auditing work of Jnana Prabodhini prashala building G+Mezzanine+5, 510, Sadashiv Peth, Hatti Ganpati Chowk, Pune 411030 The following listed firms / persons are associated with the work.

Name of Owner: Jnana Probodhini, Pune  
Address of Owner: 510, Sadashiv Peth, Hatti Ganpati Chowk, Pune 411030

Name of Architect: STRUCTURES  
Address of Architect: FFC, Gymkhana Colony, Pune

Above stated building is of, Ground + Mezzanine + 5 floors. Based on the Nondestructive testing results and visual observations, and assuming that the original structural design was carried out for the use as institutional building. Assuming that standard construction practices were followed while executing the construction work, I hereby certify that to the best of my knowledge and belief the said structure is fit for occupation for the intended purpose.

Understanding that my overall responsibility for the safety & proper performance of structural stability assumed at time of auditing. The moment any addition & or alteration damage to the structural frame is caused by accident or by tampering with the geometrical sections of structural members for any purpose whatsoever or due to over loading of the structure, lack of maintenance or any act that is detrimental to structure as a whole, this certificate won't be valid.

This Certificate is valid for one year from date of issue.
